

## Volunteers In the Schools

Several men and women are once again involved in the Volunteer Aide Program in the Grayling and Frederic Elementary Schools. Several volunteers have already helped out on picture taking day and for Vision and Hearing tests.

According to Marianne Knepp, Remedial Reading teacher, the program is off to a good start in the Grayling Reading Room. She is still hoping for a few more people to complete her classroom schedule. She still needs a few volunteers in the mornings on Monday, Tuesday, Thursday and Friday.

You may be wondering, "Why do teachers need my help?" There is an increasing emphasis on individualized instruction - fitting the lesson to the child. But there is just not enough time for a teacher to employ new methods and materials and also give

each child personal guidance. When you volunteer and assist the teacher with paperwork, making instructional games and materials, working with individual children and helping out in many ways - you give the teacher more time for planning and using new teaching strategies and for working directly with children.

The Volunteer Aide Program will give you a chance to make a significant contribution to your child, your school and your community. Why not become involved today.

If you have any questions or if you would like more information, please call Cheryl LaDuke, 348-7641, ext. 52.

## Bits O' Talk

Terry Maurer and his wife, MaryAnn, arranged to have his parents, Bernard and Pauline Maurer, renew their wedding vows in his church in Ann Arbor. Also present were their Best Man, Bridesmaid and Flower Girl.

Julie and Rod Powers of Mears, and Cindi Shepler and fiancée, Robert Graham of Petoskey, spent Friday evening in Grayling with their parents, the Arthur Carlsons. They came to attend the Grayling-Petoskey game and to watch the last performance of the Senior Cheerleaders. Their cousin, Corlynn Meech is a member of the cheerleading team. While in town they also visited a special family friend, Mrs. Rita McEvers.

## Football

(Continued from page 1)

Grayling capitalized early in the second quarter on a Northern error with Steve Allen recovering a fumble on the Viking 32-yd. line. On the first play from scrimmage, QB John Junttila faded back and fired a perfect strike to tailback Bill Lucksted who hauled the ball in without breaking stride and streaked to paydirt to push Grayling out in front, 6-0. The Vikes added two more on the play they could almost file a patent on, a Junttila to Todd Dunkley pass that's worked so well for them all season long.

Grayling got the ball back quickly after the kickoff when Tim Jones intercepted a Viking 46-yd. line. The second play from scrimmage, the Vikes surprised everybody in sight, including Petoskey, when they tried a "sleeper" play that advanced the ball to the Northern 15-yd. line. Tailback Todd Dunkley lined up on field, but just on, in front of the Viking bench, and headed downfield at the snap where Junttila found him with a pass that gained 25 yards to the Petoskey 15. A penalty pushed Grayling back 15 yards and they were unable to score.

The Vikes got the ball back in a hurry, though, when George Bindschatel broke through to block a punt, giving Grayling the ball on the Northern 17. Junttila quickly found Bill Lucksted open near the sidelines and the speedy tailback weaved across field through a host of would-be Petoskey tacklers for the TD. Dunkley's kick sailed wide but Grayling was out in front, 14-0. That was the score at halftime when the crowd was entertained by the Viking Marching Band under the direction of Robert Harris.

Both teams scored a pair of TD's apiece the second half. Grayling's first on a 47-yd. pass from Junttila to George Bindschatel who grabbed the ball in the endzone after it was deflected into the air by Petoskey defenders. After Petoskey scored twice and threatened to make a game out of it, trailing only 20-12, Grayling scored again. This one came when an alert Rusty Shepard fielded an on-side kick and raced 60 yds. to paydirt, chalking up his first Varsity TD and Grayling's last of the year.

Grayling introduced another novelty to its game Friday night when they ran out of a "shotgun" formation, one renewed to football by the San Francisco 49'ers years ago and used extensively today by the Dallas Cowboys.

Friday's victory topped off "a great season" said Klinger. "The players, coaching staff, our cheerleaders, all did a great job - they all worked hard to make this season a big success," he added.

Grayling ground out 100 yards rushing and added 197 total yards for 297 total yards. Bill Lucksted was leading groundgainer with 62 yards on nine carries. Junttila hit on six passes (three for TD's), hitting Bill Lucksted with two, Dunkley with three and George Bindschatel with one. Bindschatel led in tackles with 16 (103 for the year), Jerry Lucksted added 12, Matt Mahaney 11 and Jim Kitch was in on nine. Tim Jones had two interceptions and Jerry Lucksted and Steve Allen recovered fumbles for the Vikes.

Klinger credited the offensive line, consisting of George Bindschatel, Rusty Shepard, Joe Mahaney, Bill Fairbotham, John Peterson and Jay Schrader, with great plays that opened up holes for running backs and provided pass protection for Junttila.

The JV squad traveled to Petoskey on Thursday but came home on the short end of a 34-0 score.

is presently in the process of moving into the facility.

Dice pointed out that through Milltown's promotional campaign, 15-18 good prospects exhibited serious enough interest in the complex to visit Grayling to consider the location.

Jack Hull, who was active in the sale of the property, said that Milltown is awaiting word now from two good prospects who are interested in leasing portions of the plaza.

"Over the next 6-8 months, you will see a dramatic change in the appearance of the building, both inside and out," Hull said, "beginning with RDI, Inc." He explained that the exterior will take on a Milltown motif and the front portion of the facility will be developed into space available for professional businesses, separate from the industrial sections.

According to Hull, the two prospects mentioned are interested in occupying some 50,000 sq. ft. of the 128,000 sq. ft. originally available for lease. Interested parties who may want to tour the facility are invited to do so by contacting Hull, who is Property Manager for the Plaza, at his office in the building.

## From Our Corner ...

Sunday, November 11th, is the day every American should pause for a minute and honor all those who lost their lives in battle to keep the United States free ...

Congress, in an act last year, finally realized that Armistice Day, now Veterans Day, has more meaning than just putting it in any month so people could have the day off ...

The Armistice was signed on the 11th month, the 11th day, of the 11th hour to end World War I ... supposedly to end all wars ... Many have given their lives in several conflicts since then ... We do not think it is too much to ask of our fellow countrymen to just pause for a minute at 11 o'clock, Sunday, to pay homage to those who paid the supreme price ...

Try it, it won't hurt a bit ... and then, if you are among the fortunate, you will have Monday off.

Green has been beautiful this fall ... From our little corner we would like to give the Tip of the Derby, to Coach Klinger, Wolcott & Ferguson in molding these Viking gridders together and coming up with a fantastic 7-2 record (first winning season in many years). The two losses came at the hands of the M-H Shores Conference powerhouses, Cheboygan and Gaylord. These two played to a tie, with Cheboygan winning in overtime.

You Viking guys have had to have a lot of togetherness to finish a season like you have ... To each and all, our congratulations.

This has to be the week of our Tip of the Hat ... We just had an idle thought, and thought we would pass it on to our younger generation ... Halloween came and passed with no outstanding vandalism, such as in the past ... We had just one egg on our car instead of several ... It was a safe, sane Halloween, one a person could enjoy. Handing out candy to the little ones is a joy, and we are proud of our in-betweeners on their behaviour ...

This has to be the year of lawsuits ... Just last week we passed on to our readers how we felt when jail inmates are able to sue a county, because they believe they are being picked on ...

Now we learn our Prosecuting Attorney is going to sue the county commissioners because they do not have the funds to pay a Prosecuting Attorney's assistant ...

The guts of the reason for the suit we do not know off hand ... but we do know ... the pork barrel runs dry at times, and for Crawford County, a sump pump couldn't help at this stage of the game.

Nostalgia is beginning to set in with the ol' fella ... After some 30-odd years in one place, one does not just up and leave ... More on this in next week's corner.

We must have missed the boat ... instead of being an uneducated newspaper person ... we should have gone to Philadelphia and gotten our papers ...

Would you believe ... we just heard on the electronic media that we were in for some bunches of snow by tomorrow night (Tuesday). Now, if you believe them, that is too early for bunches ... Normally we only give a 50-50 chance on what they speak ... and for Pete Allen we do not even give him those odds ...

The reason all of this was brought up, is ... if they know what they are talking about, we know we're ready ... Son-in-law John, along with Toni and T.J. and Stef arrived Sunday and took care of the storm windows, which we have been wondering how they were going to be put in place ...

'Tis all for this evening ... see you next week, from our corner ...

**HALLOWEEN AT SCHOOL**—October magic has played its trick in Mrs. Fleming's fourth grade class. After weeks of papier mache, painting, cutting and creating, they were proud as peacocks of their new looks. Some of them will even wear their masks on Halloween.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVANCE OF 23 YEARS AGO.

23 YEARS AGO  
November 8, 1956

At the program, "This Is Your Life" following a joint meeting and potluck dinner attended by the members and guests of the Grayling Woman's Club and the Kiwanis Club, Mrs. John Brady, nee Sadie Brady Bartlett, was the lady honored. This gracious lady who very capably raised twelve children of her own, also took into her home, her brother-in-law's five children following the death of their mother. In addition, Mr. Brady's father made his home with the Bradys for 17 years and her uncle for 16 years until the time of his death. The meeting was held at the Michelson Memorial Church on Monday evening.

Mrs. Brady was presented with a corsage by Mr. Hunter on behalf of the Woman's Club and with a bouquet of red roses by Willard Cornell for the Kiwanis Club. A large bouquet of asters also arrived from Melvin Bartlett, her nephew from St. Ignace.

James Verlinde, Oscar Charron, Irving McIsaac and Bill Hall were hunting near Standish and Pinconning Monday of last week.

Mr. and Mrs. Wilhelm Rase spent three days last week visiting Mr. and Mrs. Clair R. Vanderlip and friends in Greenville.

Miss Jean Marie Lovely became the bride of William Kenneth Gannon on Saturday, October 27, 1956, in a Nuptial High Mass at 11 o'clock in the morning. The double-ring ceremony was performed by Rev. Fr. Joseph Sakowski before some 250 guests. Jean is the daughter of Mr. and Mrs. Richard Lovely. William is the son of Mr. and Mrs. Leo F. Gannon, of Marquette.

Mr. and Mrs. Jack Pettijohn and 6 children spent the weekend before last in Cadillac, visiting her parents, Mr. and Mrs. Ralph Swanquist.

Jerry McClain, Otto Peterson and Burton McWilliams spent Wednesday of last week hunting near Standish. Jerry hunted there alone on Thursday.

46 YEARS AGO

Louis Johnson and son Billy, of Saginaw, were Sunday callers at the home of Mrs. Alex LaGrow and family.

Mr. and Mrs. B.J. Callahan and son Jack were Gaylord callers last Friday.

Miss Wirtanen left Friday for Waukegan, Ill., where she plans to stay for an indefinite time.

Mrs. E. J. Olson and Mrs. E. L. Sparkes left Wednesday to attend a meeting of the administrators and commissioners of the Federal Emergency Relief Commission in Lansing.

Clarence Johnson had a thrilling experience and perhaps a narrow escape from serious injury when his car struck and killed a cow near Eldorado Tuesday evening. He says that he was on his way from Luzerne to Roscommon and just as he was coming over the crest of a steep hill he discovered four cows in the road. There wasn't time to stop for the critters were near the top of the hill and he struck one of them. His radiator, fenders and windshield were demolished. He says that he did not learn who is the owner of the cows.

Mr. and Mrs. A. J. Joseph have as their guest this week, the latter's sister, Mrs. Marion Burch, of Traverse City.

Mrs. Ellen Failing, Mrs. Earl Wood and son Ronald,

Mr. and Mrs. Esbern Olson and son Esbern Jr., spent Sunday in Saginaw where they visited Mrs. L. J. Douglas, who is a patient in Saginaw General Hospital.

Mr. and Mrs. George Granger of Lansing spent the weekend here visiting their parents, Mrs. Celia Granger and the George Stephans. They were accompanied by Miss Mildred Corwin, who visited her parents, Mr. and Mrs. Nels Corwin.

Snow shovels were much in evidence Wednesday morning when about 10 inches of snow covered the ground. The air was still and the snow heavy, so there was no drifting, and traffic on US-27 continued uninterrupted. Downtown merchants were confronted by a task of snow removal that was larger than usual at this time of the year.

69 YEARS AGO  
November 10, 1910

Charles Robinson lost the little finger of his right hand last Monday in a machine at the dowell factory.

Miss Myrtle Gassel was down from Lewiston the first part of the week visiting Mike Brenner and family.

Another farmer is, we hope, permanently located on the A. B. Corwin farm in this township. He arrived Sunday morning and his address will be Ernest Corwin, in care of his Dad, Charles Corwin, Pere Cheney. Mother and boy doing well.

Thorwald Peterson came down from Atton, Mich., last week to spend Saturday and Sunday with his parents in this city.

Yesterday morning the express train, due here at 4:30, did not arrive until after 7:00. Two engines, drawing 11 coaches and no mail, as the car was broken down and switched out at Bay City.

M. Hanson was in Lovells, Tuesday.

C. W. Ward shipped three loads of fruit and vegetables from Lovells to Cheboygan Monday, and had it loaded on his yacht. The yacht will proceed to Chicago, from Chicago to Mississippi, where Mr. Ward & Co. expect to spend the winter. Crawford County produces better fruit and vegetables that can be produced in the south, otherwise Mr. Ward would not take a supply with him as he wants the best.

## The Bible Speaks

From Calvary Baptist Church

Avoid Christian Legalism

Galatians 4:8-11

Christian legalism can become one of the most oppressing and obsessing errors to rob Christians of liberty. It can produce false guilt feelings, self-righteousness, a judgmental nature and a host of similar problems. Many churches hold their members in spiritual strait-lace, or better yet a strait-jacket. Their very lives are daily controlled by man made rules and regulations. The churches of Galatia were moving into this kind of error when the Holy Spirit inspired Paul to write this epistle.

The theme of the entire epistle is seen in Galatians 5:1: "Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage." The first bondage of these people of Galatia had been to idols before they heard of Jesus Christ. "Howbeit then, when ye knew not God, ye did service unto them which by nature are no gods." The second area they were in danger of bondage was now Judaism based upon Old Testament laws given primarily to Israel. "But now, after that ye have known God, or rather are known of God, how turn ye again to the weak and beggarly elements, whereunto ye desire again to be in bondage?"

Following the above general statement of their impending bondage, we find in the next verse some of their specific problem areas: "Ye observe days, and months, and times, and years." Gal 4:10. Days refers to the weekly Sabbaths which were observed each Saturday by the Jews. Months refers to the Jewish new moons and their sacred first and seventh months. Times

refers to the seasons with three annual feasts by the Jews - Passover, Pentecost and Tabernacles. Years refers to the Sabbatical or jubilee years of the Jews.

Jesus Christ fulfilled the purposes of all the above Old Testament rules and blotted them out by nailing them to his cross. Colossians 2:14,15. Those therefore who have trusted Jesus Christ alone for their salvation have been freed from control and condemnation through Old Testament ordinances. As the next verse continues: "Let no man therefore judge you in meat, or in drink, or in respect of any holyday, or of the new moon, or of the sabbath days: Which are a shadow of things to come; but the body is of Christ." Col. 2:16.

Salvation is free and produces Christian Liberty in Christ Jesus. If your religion is mostly a list of do's and don'ts you are not living like a liberated son of God, but rather, you are a victim of Christian Legalism. (adv.)

We would like to extend a big "atta-boy" to all the Jaycees who gave up so much of their time and imagination. There will be a sure sign of the money that we raised in the community.

See you again next year at the second annual Grayling Jaycees Haunted House if you dare. Once again, thank you all, from the chairman of the haunted house committee.

**Pumpkin Seed Winner**

With well over 1,000 guesses, ranging from 14 to 57,486 seeds, it was obvious that no one knew exactly how many seeds were in the 36 lb. pumpkin that sat for one week in the window of the old Grayling Office Supply store in downtown Grayling.

The pumpkin was, of course, part of this year's Moonlight Madness sale. So how many seeds were in that ole pumpkin and who won the \$507?!! Well, there were exactly 811 seeds, and out of 1500 plus guesses that were made, 11 year old Wanda Gabriel of Grayling came closest to figuring the correct number with a guess of 802 pumpkin seeds.

The Downtown Merchants would like to thank the Senior Citizens who took the time to count the pumpkin seeds, and to once again thank everyone who came out and helped to make this year's Moonlight Madness a success.

**You Are Especially Invited**

The twenty professional and semi-professional voice choir of the Sault Saint Marie, Ontario Branch of the Reorganized Church of Jesus Christ of Latter Day Saints will visit this area this weekend. Their first performance will be at the Gaylord house of worship, Saturday evening at 7:30 p.m. Sunday, November 11th, they will be in charge of the 11:00 a.m. service at the Grayling house of worship on North Down River Road.

The service of music is entitled "Love and Kindness!" An unforgettable experience of Worship and commitment for congregation and choir. "Love and Kindness" is a call to worship. It is an invitation to share with each other our feelings about the Savior and the implications of His redemptive work for us - a work which is itself the greatest expression of love and kindness the world has ever known.

There are happy and joyous moments ... There are serious and soul-searching moments. There are quiet and worshipful moments ... There is something here to touch every believer's heart, at whatever level of spiritual maturity he may be found.

Come and rejoice with us! We invite you to be a part of our Musical Happening and our guest for the potluck fellowship, following the service.

**New Gen-Tel Directory Now Being Distributed**

"Canada Geese," a painting of two Canadian geese in flight, is featured on the cover of General Telephone's new, larger directory now being distributed.

Lois Reagan, division manager for the company, said the new directory will soon be in the hands of customers in the communities of Gaylord, Grayling, Higgins Lake, Houghton Lake, Roscommon and Vanderbilt.

The cover feature continues a naturalist theme adopted by the company to reflect its concern for environmental protection, Mrs. Reagan said.

Inside, customers will find few changes. Additional customers and additional listings for present customers account for more white as well as yellow pages.

**Helpful Information**

Emergency number listings, dialing instructions and telephone company service numbers, business office numbers and bill payment locations appear on Pages 1 through 3.

The name, address, and telephone numbers of gas, electric, and water utilities, as well as the telephone company, appear on Page 4.

Long distance dialing information, time zones, rate information, and area code examples continue to appear on Pages 5, 6, and 7 and Page 8 includes a detailed explanation of the telephone bill.

The cover painting is by noted wildlife artist Martin Glen Loates who also provided the painting, "White Tail Deer," for the previous directory cover. Although prints of his paintings are not available from General Telephone, information on how they can be obtained is located on the inside front cover.

Questions concerning the directory, or any other phase of telephone service, should be directed to the General Telephone service office, Mrs. Reagan said.

**District Court**

The following appeared before Judge Francis L. Walsh in 83rd District Court last week:

George Raymond Denno, 17, Grayling, demanded preliminary examination of a charge of breaking and entering. A \$1500 cash/surety bond was set.

James Michael Forbes, 18, Grayling, demanded preliminary examination on a charge of delivering marijuana and a \$2000 personal bond was set.

Pete Kocenas, 22, Grayling, plead nolo contendere to a charge of being a disorderly person under Grayling Ordinance No. 4 and was fined \$65 plus costs or 7 days in jail.

Melvin J. Schramke, 56, pled guilty to a charge of impaired driving and was fined \$255 or 14 days in jail.

Robert T. Wyland, 45, Hazel Park, Mi., pled guilty to a charge of impaired driving and was fined \$255 or 14 days in jail.

## Vikingland Happenings

by  
Joelyn LaChappelle and Jane Stamm

This week we decided to do something different, so we went to Miss Cheney (girl's basketball coach) for an interview on an update of the team.

Q. How is the girl's basketball season going so far?

A. I think we have had a pretty successful season. The kids have been working hard since the start. I feel we have reached some of our goals and we are playing well as a team. We have played well, but we just seem to come out on the short end of the scoreboard.

Q. Do the players get along outside of the team?

A. We have a fairly close-knit team within school activities, but outside of school I am not really sure.

Q. How is their school spirit?

A. They have a lot of school spirit. They know how it feels to participate in a sport and they understand what school spirit is all about.

Q. What did you expect from the girls before the season started?

A. That we go undefeated. No. (Ha, Ha). I expected a good attitude from them and for them to maintain a good positive relationship with each other and give 110%. I think that our main goal is to go out there and have fun!

Q. Are they living up to your expectations?

A. Most of the time, because I do not feel any unit or group of people can live up to anyone's expectations all of the time. Even though we are experiencing a losing season, their morale is still good and they are enthusiastic.

Q. Is there anyone who is doing an exceptionally good job this year?

A. At this time there is not any one player who is doing exceptionally well. The team is working together as a whole.

Q. Do you have any further comments?

A. Yes, I am very proud of them since they stick in there and give 100%. It is hard to lose game after game and still come to practice all fired-up. I think people should give the girls some respect, because they do their best although they have been coming out on the short end of the scoreboard. We still need the school's and the community's support. Too often people are concerned only with the record and not with the hard work and participation which goes into each game.

The girl's basketball team now has a record of 3 wins and 9 losses with eight more games left to play this season. We wish them luck and hope support is given to them from the community!

## Almanack

# Purely personal ... pap and piffle

RICHARD MILLIMAN

Presented Herewith, a plethora of purely personal pap and piffle, part prejudice, perhaps pernicious, but all personal perceptions ...

—I wonder how much genuine support Sen. Ted Kennedy will end up with among today's electorate. Much of his appeal comes from his family, and especially the public memory of President John Kennedy. But it's rather shocking to realize that anybody under 40 years of age never had the opportunity to vote for John Kennedy; they were too young at the time he ran. A large percentage of the 1980 electorate, of course, is under 40, and know John Kennedy only by vague recollection. Thus Ted Kennedy's strength must be built on stronger foundations than memory.

—In Michigan politics, G. Mennen Williams and George Romney were instrumental political figures in shaping the party structure the way it is today. Democrat Williams was elected governor six times beginning in 1948, and Republican Romney recaptured the governor's office for his party, where it has been since. But using the same age test as in the Kennedy example above, nobody under 45 was eligible to vote for Williams for governor, and nobody under 35 could have voted for Romney. How time flies.

—Why doesn't every male take off his hat when the Star Spangled Banner is played at a public event? Look around at any football game this fall; too large a percentage of males don't bother to show proper respect for the flag and to their country. Why not? Isn't it taught in the grade schools and in the homes anymore?

—Speaking of Football, I wish football fans could be vigorous supporters of their teams without being nasty detractors of the opponents. Especially in the traditional games, such as Michigan against Michigan State and all the various high school traditional rivalries, the fans seem to enjoy knocking the opposition more than boosting the home team. That's a bad practice.

—Elvis Presley should be permitted to rest in peace, finally. The poking around into medical and health records, with an

autopsy being suggested, is downright nauseating. At this point, what difference does it make? No good purpose is served by such ghoulish curiosity. Let's drop it.

—Jogging must be highly over-rated. Have you ever seen a jogger smile while jogging? For that matter, tournament golf is the same way. Who besides Lee Trevino and perhaps Fuzzy Zoeller seems to enjoy playing big-time golf?

—A couple of weeks ago, this column contained an error of fact. We wrote that John Kennedy and Richard Nixon ran against each other in 1968. It was 1960, of course. Only one reader drew the error to our attention. What does that mean? That nobody reads the column? That nobody noticed? That nobody cared? That it really matter at all? None of the above? All of the above?

—One of the more memorable happy pictures appeared on television the other night. Remember Sammy Perkins, the Williamston area 3-year-old whose feet were severed in a mowing accident last spring? Sammy has new artificial feet, and he's learned to use them. Television cameras pictured Sammy walking on his new feet. He did well, and he was smiling. It's a heart-warming story, and the cameras really brought the story home in a way that pad-and-pencil reporting can not. Thanks, television. And thanks, Sammy, for a warm feeling — obviously a reflection of your own pleasure and happiness.

—Here's a rather startling claim, but I believe it: If somehow I could control all three commercial television networks at the same time, I could remake American society and all its aspects in any way I chose. How often is the average television set turned on — 6 or 8 hours a day? With that kind of access to the American mind, and especially the minds of the young, any sort of eventual mind direction and thought control is possible. With total television control, I could establish morals, ethics, goals, patterns ... the conduct of life itself. How long would it take? No more than two generations. What worries me is this: Has someone or some group already started on such a program?

## Editor's Mailbox

To The Editor,

Prosecutor Thomas Kent told the Board of Commissioners he didn't learn of the cut in funding for the Assistant Prosecutor until Friday, yet by Monday he was prepared with a collection of legal opinions and the threat of a law suit to halt the action.

Our prosecutor moved fast, considering it took his office weeks to answer the commissioners' request for an opinion on the legality of the recent millage election.

The prosecutor left the legality of that election hanging until the last minute. He sat in on the public hearing on the matter, watched as the commissioners were grilled on the election's legality, and said nothing — offered no assistance. His only comments to the board at that time was to demand assurance that commissioners wouldn't repeat budget mistakes of past years.

Whether the prolonged question of the millage election's legality affected the negative outcome is hard to say. But the commission, with the cooperation of other county officials, is doing what must be done.

It seems Mr. Kent's demands for realistic budgeting which he voiced at the hearing were meant for all departments but his. Once personally affected, he has chosen to add to the county's burdens with another costly lawsuit. You'd think with local and state budgets for his office amounting to over \$67,000.00 he could manage the administration of this part-time job.

### Editor's Mailbox

Dear Whitey,  
I was glad you were in your "corner" last week. You labeled the recent jail suit against Sheriff Curt Haas and the Board of Commissioners for what it was: "foolishness".  
But more than that, it was expensive foolishness. The strength of the case is clear from the \$100.00 each plaintiff was awarded. They won a little cigarette money.  
But the already over-burdened taxpayer paid plenty. Money for the exercise yard, the library, the legal defense for the county, and most disturbing of all, the \$4000.00 for the two local attorneys who judged this thing fit to pursue.  
I'm willing to take a cut in service, because times are hard and sacrifice is necessary. But to sacrifice and have the dollars saved eaten up by costly and foolish law suits against the taxpayers, (and make no mistake that is who is hurt), is disgusting.

Membership — Sophie Koernke, encourage people to attend meetings or bring a guest and thereby in-crease membership.  
A discussion was held concerning the type of gifts the club will purchase for patients at the Traverse City State Hospital. Each member to bring an ad-ditional gift for the hospital to the November meeting.

To the Editor:  
As I read the local media, I am shocked at the things I read.  
Our County has no funds - we see our Sheriff's Dept. functioning with 50% of their normal staff, we see jobs being eliminated to save us from bankruptcy - then, we must pay money to convicted felons, \$4,000 to local attorneys who sued their County and our Pro-secuting Attorney is threatening to sue his County - incredible!  
The latest I read is the Union is demanding the immediate discharge of a deputy clerk for refusing to pay dues even when she refuses to join the union, because she is appointed. The County Com-missioners are refusing to discharge her. I certainly applaud their stand.

## Postmaster Offers Tips On Priority Mail

One of the lesser known, but very effective package delivery services offered by the U.S. Postal Service is Priority Mail, according to Postmaster Baker.

"When you send a package by Priority Mail, it is separated from the regular parcel mail stream and treated as First-Class Mail," said Postmaster Baker. "If the destination is nearby, the package receives expedited surface transportation. For all other places in the U.S., Priority Mail packages go by air," he said.

As a result, more than 35 percent of Priority Mail packages are delivered the next day, and over 90 percent are delivered within three days. Postmaster Baker explained that the cost for a small package is not much more than Parcel Post.

For example, a one-pound package sent from New York to Los Angeles costs only \$2.25. A five-pound package mailed coast-to-coast costs only \$4.50.

Another advantage, says Postmaster Baker, is that Priority Mail delivers packages everywhere in the United States unlike competitive parcel services which cannot deliver to every address in the country. Through international agreements with over 160 countries, packages can be delivered anywhere in the world that mail is delivered. Packages for foreign countries must specify "Air", however.

A wide variety of options such as insurance, C.O.D. and Special Delivery are available for use with Priority Mail.

The Postmaster urged package mailers to specify Priority Mail the next time they have packages that need prompt delivery.

## Frederic Hobby Club

The Frederic Hobby Club Halloween Party went real well. It was hard picking the best costumes, everyone looked so good.

1st prize went to Tonya Pyles, 2nd Stacey Rosin and 3rd to Marty Bindschattel.

The five and under game winners were Jody Denno and Mike Vollmer, those 6 to 9 years old - Helen Denno and Anjanette Pratt and the 10 and up winner was Amy Wakely.

**CITY COUNCIL HELPS SCHOOL**—One day we wrote a letter to a man named Mr. Morford, the city manager of Grayling, about the city property behind our playground. A week later we got the answer that we could use it for a nature center. So Mrs. McEvers arranged for him to speak to her science classes. He came and talked to us about the property. We asked him if we could put in some dead logs, rocks and other things. He said it is a good idea. So the next day we were busy making plans for our nature center. We are going to put in some brush piles for the chipmunks, too. (by Melissa Jackson and Kerry Joe Harwood)

Shown asking Mr. Morford questions are Elizabeth Stewart and Scott Czuba.

### City Council Proceedings

Regular meeting of the City Council held October 29, 1979. The meeting was called to order by Mayor Thompson at 7:30 p.m. Members present: Westervelt, Failing, Thompson, \*Golinick. Members absent: McEvers. Also in attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; Nelson A. Miles, City Attorney; Doty Latuszek, Percy H. Williams, Patricia Schreiner, Dena Tau, Larry L. Akers, WGRY, Ernie Balch, Peter W. Stephan, William Schroderus, John Smock, Mary Stewart, Toni Trudgeon, Ed Vinecki, Don Geiss and Joe White.

Motion by Westervelt, supported by Failing that the minutes of the meetings of October 8 and October 20 be approved as presented. Ayes: 3, Nays: 0, Absent: 2, motion carried.

\*Mr. Golinick was now present.

Ms. Latuszek asked about the fence between her property and her neighbor's. Mr. Morford stated that Mr. Wrona has agreed to install the fence as soon as possible even though the City has no legal means to require same.

Communications were received from: Hill, Woodcock and Distal re: Annual audit. Mr. William Schroderus presented to Council the completed 1978-79 audit.

#### Old Business:

Discussion took place concerning the Fire Station roof condition and the need to repair it. Mr. Williams was present to give his opinion on the roof and stated his position. He feels that the roof is good and that if it is maintained according to their recommendations it would be all right. This would cost approximately \$150.00 per year, with an additional \$780.00 each third year. Mr. Morford responded to Mr. Williams comments. ## Attend the Church of Your Choice

What does the Bible really mean to you? Is it an old leather volume gathering dust on the shelf, or a beloved, faithful companion?

The answer depends partly on your childhood. If your family read the Bible daily, then its Books have long since become part of your way of life.

But to many of us, the Bible remains a mystery and even the "modern" versions seem complicated. We may want, almost desperately, to understand, but it isn't that easy.

Help is as near as your closest church. For centuries the Church has made a business of studying and interpreting the Bible. Despite the passing of time, they proclaim its message with remarkable clarity. Try it and see.

## At Flowers by Josie "Christmas Means Display"

Flowers by Josie, Grayling's downtown business specializing in fresh flowers, gifts & antiques, received international recognition when featured in the September issue of Gifts and Decorative Accessories, an international business magazine.

The magazine article, entitled Christmas Means Display, had this to say in its opening paragraph:

"Once a year, Flowers by Josie, a shop that manages an harmonious mix of fresh flowers, gifts and antiques, turns itself into a Christmas Shop...it's selection of Christmas ornaments and wreaths...it's unique collection of gifts and flowers and pointsettia plants...has become a must in the city of Grayling, Mich. Indeed, customers come from as far away as Grosse Pointe and Saginaw to do their Christmas shopping."

Flowers by Josie is owned by Bob Cole and Ernie Dawson who purchased the business five years ago and relocated to its present location on Michigan Avenue. Their imaginative touch and decorating efforts have turned the business into a veritable showcase. Its selection of gift ideas and flowers tantalize the taste

buds of gift shoppers from far and wide. Tourists are beckoned to the shop's unique display of gift merchandise, nestled in a surrounding depicting the milltown motif of the 1800's. Describing the inventory at Flowers by Josie, the article says: "Apart from flowers, the gift inventory consists of paperweights, figurines, one-of-a-kind antiques, music boxes, baskets, lamps, antique and costume jewelry. Potpourri, made out of their own leftover flowers, is a favorite among customers. It's spicy, oriental fragrance packed in a variety of interesting containers, including the customer's own, at \$8 a pound."

Bob Cole and Dawson shop in New York and Los Angeles and scour the countryside for unique furniture. Flowers by Josie employs a full-time designer-Arlene Murphy to work with them on special occasion items.

Christmas Means Display concludes by saying this of Cole and Dawson, "they will tell you happily that they are so busy at Christmas time that even the delivery boy does flowers!"

## Energy (Continued from page 1)

government now offers homeowners a 15 percent tax credit for installing insulation, storm windows, or caulking up to \$2,000, for a total credit of \$300. The nearest Internal Revenue Service Office has the details—a toll-free number is listed in your phone book.

Cracks around loose doors and windows are like energy burglars stealing your home's heat. You can caulk and weatherstrip your entire house for about \$25 worth of materials and a few hours of work; this alone may cut your annual heating costs by 10 percent or more.

If you have an oil-fired furnace, cast a suspicious eye on it. On very cold days it should run almost continuously. If instead it keeps going on and off it is probably wasting money. By one estimate, 97 percent of all such furnaces are overfired—that is, they squirt more oil than needed because the oil nozzle is too big. A smaller nozzle will use up to 14 percent less oil, and your service technician can quickly tell you if you need one.

Due to its length, this article will be continued next week.

## Coop Nursery School News

Halloween is over and the funny little people are all gone. At least for another year, but I am sure many little ones are still talking of what they saw and who was what. The Nursery School children started their Halloween with a hayride at Camp AuSable pulled by (to their delight) real horses. A very big thank you to A & P for the help in providing pumpkins to the school for the pumpkin hunt held after the hayride. What an exciting way to start the holiday. They decorated their school with pictures and made masks out of paper plates. The children also went on two parades, one going through the Senior Citizen Center, getting there by Dial-A-Ride and the others walked through the Grayling Elementary School. All this was topped off by a big party at school with fun and treats for all.

The children also visited the Bear Museum a few weeks ago, again going by Dial-A-Ride. I am sure that Mrs. Fisher, the mothers and aides had a busy time just answering all the questions from all those curious little minds.

Future plans are in the making for a Thanksgiving party. The Nursery School has been invited to have a float in the Thanksgiving Day parade. Also in the planning is the Santa's Workshop again this year. Watch for future updating in the Avalanche, and posters in your shopping spots.

(Continued from page 1)

Clippert soon following to what would be their new home.

He joined Dr. Keyport in practice shortly after. His association with Mercy Hospital was a long and rewarding experience and he treated patients both in the old as well as the current facility. Dr. Clippert gave the dedication speech at the ceremony held when the new hospital was opened.

Active in almost every facet of community affairs, Dr. Clippert once served as Mayor of Grayling and during his tenure in office appointed the first City Manager ever to hold the post in the city.

In 1966, he turned the reins of medicine over to others who assumed health care responsibilities for the patients he loved. He enjoyed his retirement years here until passing away in January of 1977.

## Bits O' Talk

by Fay Bovee

Mr. and Mrs. Bill Kucharek and Nancy went down to visit Jim and Jeannie Whaley the weekend of October 27th at Ferris State College, Parents Day. Loretta Whaley, Mark, Diane and Keith, also went for the day on Saturday. They all attended the Ferris State-Saginaw Valley football games. The Whaley family stayed and went to the Ferris Hockey game Saturday evening, before returning home.

Tom and Marian Welsh had a busy October when they first spent four days in Mohawk in the UP visiting Mrs. Alex Schultz. Following that, they spent nine days traveling with Ed and Shirley Rutkowski to Long Island, N. Y. where they visited the Rutkowski's daughter and family, the Tom Franklins, in Northport. On their return, they stopped at Niagara Falls. Last week, Mrs. Nelle Maharg of Cass City was an overnight guest when she came to attend the unveiling of the picture of Dr. Clippert. The next day, the Welshes went to Millington to visit Marian's sister, Mr. and Mrs. Warren Reed while Tom attended a GM school in Detroit. The Welshes returned on Wednesday.

Guests of Irene LaRush last week were her nephew and wife, Mr. and Mrs. Fritz Balow, of Hamtramck. Also arriving on Saturday were Tim and Nancy Perry and daughters. They are moving from Jeffersonville to Indianapolis, Ind., so Nancy is staying in Grayling for a short time waiting for their house to be ready.

Joe and Rose Perry had a Halloween party for the children of their families.

Bob and Fay Bovee and Ray and Phyllis Homer of St. Helen spent the weekend in Marquette visiting their daughters, Dena Bovee and Jim and Sue Homer MacIntosh.

Helen Fisher and Ann Olson have returned from Tennessee and Ohio where they visited their daughters. Ann was met in Dayton, Ohio, by Mr. and Mrs. Jeff Jerome and Amy and taken to their new home in Columbus. Helen continued on to Knoxville, Tenn., to visit Mr. and Mrs. Bob LaMotte and family. Roxie Fisher of Atlanta came up to visit for a few days, too. Dee Ann is recuperating very well from surgery. ## THANK YOU

A great big thank you to the many good friends and relatives that I have in Crawford County, also in Saginaw, Roseville, St. Clair Shores, Armada, N.C. and Gainesville, Fla. And thanks for the good care I had at Munson Hospital, for all the cards and gifts. I am now recuperating at home. Again, I thank everyone from the bottom of my heart.

Elsie Bonamie

## BPW Plan Christmas Project

A better Christmas for Crawford County residents is the aim of the Business and Professional Women of Grayling. A recent meeting of the organization focused on plans for the Community Services Christmas Project for 1979.

Co-Chairpersons Susan Noteware and Sally Wert and individual committee chairpersons reported on progress to date.

The Dress-A-Doll contest is chaired by Billie Kessler. Any individual wishing to dress a doll to be given to a needy child for Christmas, and incidentally competing for a prize, should contact Mrs. Kessler at 348-9889. The dolls will be displayed at Mac's Drug Store.

The annual Canned Goods Movie will be held early in December at the Rialto Theater. Admission will be canned goods to be used in the Christmas Baskets. An afternoon of fun for the youngsters will be provided with cooperation of Tom and Georgiana Stancil.

Gifts for residents of nursing homes in the county are being purchased by a committee headed by Carol Hallett.

Toys for the children is a major concern of the organization. Chairperson Bernie Sieger announced that the Grayling High School students are making wooden toys with lumber donated by local merchants.

Pajamas and nightgowns have been made by the Senior Citizens and are ready for wrapping. Knitted items such as mittens, hats and scarves have also been made by the Senior Citizens for the youngsters.

According to Chairperson Sally Wert, fruit baskets will again be sent to some of our Senior Citizens.

Other committees are headed by: Roberta Wright, chicken purchases; Sally Wert and Susan Noteware, packing baskets; Kate Hoffman, storage; Maxine Geiss, public relations, and Hertha Laupmanis and Marge Shepard, finances.

Any individual or group wishing to participate in this project can call Susan Noteware at 348-7561.

Maxine Geiss, Pblcty.

## Editor's Mailbox

**To The Editor:**  
I see that Crawford County may be forced to pay for still another lawsuit - this time by our prosecutor. It seems to me that the prosecutor's budget fared pretty well this year compared to cuts in other areas.  
I noticed he received a raise to \$19,990.00, for a part-time job. True, it wasn't the hefty \$3,675.00 pay increase he asked for, but officials in Otsego County got nothing. I wonder how his salary compares to other prosecutors in the area.  
I also understand Mr. Kent is insisting on a couple thousand dollars back pay from a few years back for an assistant prosecutor's pay adjustment which he himself agreed to at the time. All this, on top of a \$35,000 budget from the state from which he and his assistant also receive salaries.  
I suppose as long as you're going, you may as well go for broke. But who's gonna be broke? The county will be if this "lawsuit craze" doesn't stop soon.
